

Dear Secretaries, Editors, members;

Please circulate to members, lodges and assemblies. Please post in your news papers and Web sites.

Thank You.

The Rose Float is alive and living.

The Survey that was sent out with the Crisis Letter produced a response of 95% in favor of continuing the 50 year plus program. Lodges have been trying to send a donation of \$1.00 or more per member. The Float committee has a new Motto of:

"WE ARE

THE PUBLIC RELATIONS PROGRAM"

ODD FELLOWS REBEKAHS

ROSE FLOAT

The Rose Float Organization is very busy and trying achieve success and donations. Attached is a News update with a picture of the float, for 2011, a Status of the monies owed verses the money paid. It also includes a Summary of the new programs and sponsorships being offered to help to raise funds. We will be having the \$1.00 raffle for a trip to Pasadena to help decorate the float.

The Memorial/Honoree Rose Garden has been revised and we are offering additional items. This flyer is also attached.

We are trying to collect more email addresses to decrease our mailing costs. Also the Float committee will be holding online meetings where anyone interested will be able to attend either by phone or by phone and online viewing. This is to create additional interest and provide a vehicle to update the membership.
