in Sunny California.**

For Additional Information send an e-mail by June 15, 2009, to [mtschernoscha@mwe.com](mailto:mtschernoscha@mwe.com)

# Saratoga Retirement Community

**A** Continuing Care Retirement Community that has received the Gold Nugget Award from the building industry for the Best Adaptive Re-Use Project for design and planning excellence.

**O**ne of the Reasons Saratoga Retirement Community (SRC) is unique is the spectacular Manor building which was originally built in 1912 by the California Odd Fellows and Rebekahs. The historic structure was completely refurbished and brought back to its original grandeur. It now features large beautifully appointed apartment homes for Residential Living, along with a spectacular Dining Room, an Auditorium, Library, Computer Center, Beauty and Barber Shop, Gift Shop and Craft Rooms.

**T**hirty-nine Residential Cottages, two Apartment buildings, a warm and comfortable Assisted Living building, a brand new Health Care Center, a Fitness Center and Spa are some of the facilities available for the nearly 400 residents including up to 50 Odd Fellows and Rebekahs. The most recent addition is the Odd Fellows Home Historical Park which features Bocci Courts and other attractions.

**W**e are sure everyone will enjoy visiting this outstanding community, owned and operated by the Independent Order of Odd Fellows in California.

**W**hile here you will also have the opportunity of visiting Fellowship Plaza, a HUD project adjacent to SRC.
