

Dear SOS Supporter,

For many children, Christmas comes and goes without gifts, wonderful meals or families gathered in loving homes. Children who live in extreme poverty, or through abuse and neglect, can only wish for help to come.

SOS Children's Villages has worked to provide security and care for children this Christmas and every other day since 1949. Today, SOS provides loving homes and holiday celebrations of all kinds -- from Christmas to Hanukkah, Eid, and Diwali -- to children in 132 countries worldwide.

Today, over 2.2 million children benefit from SOS care, education and health programs. One child at a time, SOS is giving the gift of holiday joy.

[You can help make the difference to a child in need.](#)

I wish you and your family a safe and happy holiday season.
Sincerely,

A handwritten signature in black ink that reads "John Allen".
