

Park Ridge Apartments

The Park Ridge Apartments building offers you a large lounge with a cozy fireplace, a hobby room, a whirlpool tub and dining room. The adjacent city park and playground offer opportunities to watch Minnesota's changing seasons.

The comfortable one-bedroom apartments provide 530 square feet of convenient, independent living space.

Park Ridge Apartments provide:

- Transportation for local outings;
- A live-in caretaker for minor repair work and security;
- Guest-room available on campus;
- A deck for barbecues and picnics.

Seniors find Northfield an attractive retirement community. This stimulating college town, just 35 miles south of the Twin Cities, offers seniors many unique cultural, athletic and recreational opportunities. It also has a progressive medical community with an excellent relationship with the other programs and services provided on the Three Links campus.

Activities

Activities include outings and shopping trips, coffee time, parties, church services, common social and dining areas.

Additional Supportive Services

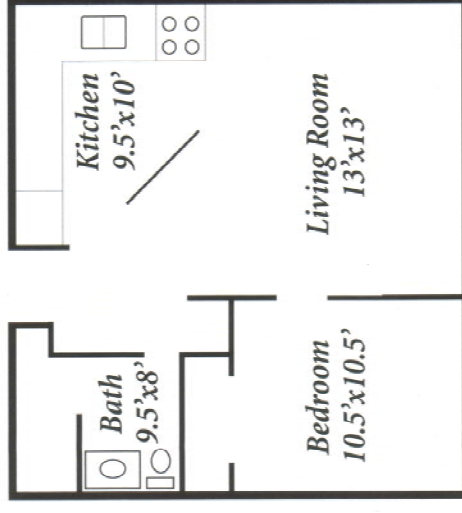

- Meal Service – Available as arranged
- Home Care Services – For those who require supportive care or monitoring
- Emergency Response System – Designed to alert staff to medical situations

Available at an additional cost.

Your Apartment

Each apartment includes these features:

- Private bath with shower stall;
- Kitchen with range and refrigerator;
- Spacious, carpeted living room and bedroom;
- Closet in bedroom, entry and linen closet.

A typical floor plan

Tenants of Park Ridge Apartments enjoy furnishing their apartments with personal items and furniture from home. A special attraction is the covered entry to each apartment which can be personalized by each resident.
