

Our Mission

The mission of Three Links Care Center is to provide care options which allow the people we serve to function at their maximum level of independence in a respectful, clean and secure environment.

Through the years Three Links Care Center has earned the reputation of providing quality care. Our staff is committed to meeting objectives which:

- Enable each resident to achieve optimum independence.
- Provide an opportunity for residents to socialize and participate in meaningful activities.
- Offer a variety of programs directed towards spiritual and emotional needs.
- Provide restorative and maintenance therapy according to individual needs.
- Work with community financial, social and health care resources in order to meet the special needs of residents while in the care center or in the discharge planning process.
- Utilize hospice care to meet the needs of the dying resident in a family oriented environment.

Three Links Care Center is located in Northfield, Minnesota, just 35 minutes south of the Twin Cities.

Three Links Care Center upholds a long tradition of quality care for the elderly. Since 1899, we have been committed to a continuum of care options which integrate innovative, flexible services to meet the individual's physical, psychological, social and spiritual needs.

Three Links Care Center is approved by Medicare and Medicaid. HMO and private insurance coverage may also be applicable.
